I-CAR® RESTRUCTURES CANADIAN APPLICATION PRICING

HOFFMAN ESTATES, IL – May 17, 2006 – Effective immediately, I-CAR has reduced its Gold Class Professionals™ and Platinum Individual™ application costs in Canada. I-CAR has also reduced the fee to apply for Gold Class points through the I-CAR Industry Training AllianceSM.

“While we do not price our products and services based on current international exchange rates, we have been monitoring the changes in the US and Canada exchange rates.” explained I-CAR President & CEO Tom McGee. “I-CAR strives to be sensitive to its customers’ budgetary needs, and reducing the application fees is the right thing to do, especially for those businesses and individuals that have shown a commitment to training through the Gold Class Professionals and Platinum Individual designations.”

The revised pricing stated in Canadian funds are as follows:

I-CAR Program	Revised Cost	Previous Cost
Gold Class Professionals application & reapplication fee	\$180	\$225
New Platinum Individual application fee	\$60	\$75
Renewing Platinum Individual application fee	\$30	\$37
Industry Training Alliance Gold Class point application (industry training providers)	\$35 /\$175 cap per application	\$40 /\$200 cap per application
Industry Training Alliance Gold Class point application (career and technical schools or colleges)	\$25	\$30

Revised Gold Class Professionals, Platinum Individual, and Industry Training Alliance applications can be found on the I-CAR web site at www.i-car.com. I-CAR has been issuing refunds for the difference to applicants who have been submitted payments with previous pricing.
